

LAKE COUNTY ILLINOIS RADIO CONTROL CLUB

July 2005

Editor : Joe Podraza (847) 623-8661

AMA CHARTER CLUB 777

jgpodraza@worldnet.att.net

MINUTES OF THE L.C.R.C.C MEETING OF JULY 7, 2005

Meeting called to order at 7:20 pm.

Bill Braun gave the field officer's report. The field is green and brown and won't need mowing for at least another week.

Dick Hultz gave the safety officer's report. All fliers should stay close to the flight stations and don't fly over the pits. Accidents will happen, but make every effort to keep your plane over the center of the field. Weekend hours will start at 8:30 am. The sign still needs to be updated. We are still to make the banned frequencies legal. People are walking across the field while people are flying. We will try to get a fence installed to discourage it.

Steve Yeaton have the treasurer's report. The beginning balance was \$5673.03. and the ending balance is \$4130.53.

Old business

One of our tables was missing from the storage barn. The tables will be placed on the new field before they are all stolen. We are still looking for a good place to store the heaters and a few other items.

We can leave the gate open all day August 6th for the picnic. A flier will be sent to all former members to have an open house to show off the field to former members. An effort was made to put together a committee for the picnic. We wanted fliers to be created and distributed at hobby shops and someone to cook food. There won't be a raffle.

Rich Ehnert and his wife Elaine are both at Victory Lakes. Rich has very little use of his left arm and is trying to recover from his recent strokes.

The flight stands will be transported to the field and the flight stations have been installed. We will try to get the forest preserve to help encourage fliers to stand on the flight stations while flying.

New Business

The club tractor required major repairs were required. The tractor was brought to Pfeiffer sales. The alternator, left drive axle, hub, and PTO shaft were replaced along with some other minor items were fixed for \$1391.81. In an ideal world this expense would have approved before it was spent, but the tractor had to be repaired. The motion to spend the money was approved.

Keith Bradley has a large box that can be locked and placed at the field. This will allow storing flight boxes, first aid kit, and a few other items.

We will place a windsock at the frequency board of the new field. We may need to purchase a pole.

We will look into advertising the club in the newsletters from nearby park districts and the forest preserve.

Steve Yeaton has purchased the domain name LakeCountyRCClub.com and is trying to create a useful web site. No associated expenses are currently being paid by the club.

Two perspective new members were present. It would be nice to place a sign at the new field to give club contact info for new people to contact the club.

**NEXT MEETING WILL BE AUG 4,
2005 7:15PM AT CORKY'S**

President : Keith Brably (847) 662-0473 Director & VP Dick Hultz (847) 244-8265

The Gate will be left open for one day only . Any one wishing to fly must bring their AMA card along with their Lake County Forest Preserve Flying Permit.

Please follow all the flying rules as they are strictly enforced. Your permit could be confiscate.

THE EHNERTS

I know many of the women of the club were frendly with Elane. As you Know Rich had a stroke and now is at the Libertyville Manor. Elane moved to Victory Lakes in an assisted living room so she could be close to Rich. Then they transfered Rich to Libertyville Manor so that left Elane alone. She is in room 132 in building 1065 at Victroy Lakes in Lindenhurst. Her phone number is 1-847 265 3581 Rich is in room 476 at the Libertyville Manor 610 Peterson Rd. (Rt 173) His phone number is 1- 847 680 2053. I have been out to see them both and I know they would appreciate hearing from you.

Rich has little use of his left arm and hand. He get around pretty good and is getting therapy.
