MINUTES OF THE L.C.R.C.C MEETING OF NOVEMBER 2005

Keith Storrs volunteered to serve as a librarian for the club's tape library.

Meeting called to order at 7:16 pm.

The minutes were accepted as written in the Fly paper.

Steve Yeaton gave the treasurer's report. The beginning balance was \$3837.35, ending balance is \$3768.89.

Bill Braun gave the field officer's report. The grass is still green and the tractor will be winterized within a month.

There will be a field day the first Saturday after the next meeting to do some seeding around 10 am. Member with rakes

are welcome to help sow the seed. Keith Bradley will store the umbrellas in his shop during the winter. The tables will be left at the field during the winter.

Dick Hultz gave the safety officer's report. He emphasized the importance of owning a first aid kit. Very complete kits can

be purchased for less than \$20. We will eventually get a first aid kit in the gang box at the field, but that will only be

useful if an instructor with the key is at the field.

Old business

There was a great raffle at last month's picnic. The grill was definitely the hot spot.

The meeting was the last day to purchase tickets for the banquet on November 5th.

The old farmall tractor that was loaned to the club for several has been picked up by the owner. It was no longer required for field maintenance and the club couldn't afford to maintain two tractors.

If anyone has extra paving stones and would like to donate them to the flying field please let your desire be known.

There is still one stand to be picked up from the Racine club.

New Business

Some scouts were playing football on the field while people were flying. They were told it was flying field and left the field,

but soon came back. A call to the ranger was required to get to leave the field.

The following members were nominated for positions for 2006

Events Director Keith Storrs

Field Director Bill Braun

Secretary Bill Weston

President Keith Bradley

Elections of Officers will be held at the December meeting.

The dues for 2006 will remain at \$36.
