September Minutes 2005

Meeting called to order at 7:18 pm.

Steve Yeaton gave the treasurer's report. The beginning balance was \$4048.14, ending balance is \$4078.04

Bill Braun gave the field officer's report. The grass is green. It hasn't been mowed in a while due to lack of rain.

Dick Hultz gave the safety officer's report. The old pit area is going to grow in. A sign will also be posted to discourage people from walking across the flying field. A buffer zone will be added to the east-west run way.

Keith Storrs wasn't present, but September 10th is Cub day,

Old business

We had a meeting with Tim Morganson of the forest preserve. There will be a new rule requiring use of flight stations. The ban on certain frequencies will be lifted. The sign stating the hours of operation will be updated to 8:30 to dusk on weekends. We brought up the idea of building a shelter for the tractor. They were open to the idea, but have no funds to help with it. We would like a sign stating the field is sponsored by Lake County Radio Control Club with the club email address.

90 forest preserve permits were sold this year.

There have no complaints concerning noise at the field.

There was very good turnout at the picnic, roughly 50 people attended.

New Business

September 10th is cub day and the Waukegan air show.

Buzz is going to look into organizing a bbanquet. He'll check what's available and report back at the next meeting.

The club will have a cook out on October

8th. Fliers will be distributed at hobby shops. Food and soda will be provided. If you bring a spouse, bringing a dessert would be appreciated.

It might be time to get rid of some of the items in storage. The heaters will be brought to the cook out and given away.

There will be a raffle at the cook out. \$200 was approved and it will be open only to club members. A donated P-40 mailbox will be among the prizes.

LCRCC ANNUAL BANQUET

I have reserved the a spot at the Fireside Restaurant in Kenosha for the Annual LCRCC banquet to be held on Sunday November 6th at 5:00pm. The following menu is available:

Baked Cod	\$14.50
5 1/2 oz. Tenderloin Steak	\$ 15.75
1/2 Broasted Chicken	\$12.00
Homemade Lasagna Dinner	\$12.50

As usual payment will be made in advance and made payable to me. I haven't come up with a program yet but I would like to do a historical edition of the Year in Review and for the finish I would like to show our new field and how much fun it will bring.

RAFFLE CENTRAL

Hi to everyone,

Don't forget that once again we are going to have an Open House on October 8, 2005 with lots of food cooked by Jim and Joan Doubeck out of the goodness of their own hearts.

If you would like to bring a dish to pass, it would add to the festivities just like OLD TIMES, and beverages brought by Dick Haultz will be provided for everyone in attendance.

The club voted on \$200.00 for prizes for the raffle, open to club members ONLY. We have something special prize a that John Losch donated for the raffle. It is a P-40 Tiger which is in a very cool Post Pro mailbox from his company. Thanks John !

This will be a fun time for all that you won't want to miss.

Have to get back to work now, gotta keep making those bucks so that I can buy more airplanes for my hanger.

HOPE TO HAVE ALL OF OUR CLUB MEMBERS AT THE OPEN HOUSE,

Dave Harrington
