AMA CHARTER CLUB #777

lcrccoffice@db3broadband.com

www.lakecountyrccclub.org

Member Alert! Nominations for club officers open at the November meeting! Who do you want to serve the club? Any volunteers?

MINUTES of the L.C.R.C.C. MEETING October 5, 2006

The meeting was called to order by Keith Bradley. The meeting was held in the basement of Corky's.

TREASURER'S REPORT

Steve Yeaton gave the Treasurer's Report. He will also be accepting membership dues for the year 2007 at the November meeting if you have your new AMA cards.

FIELD OFFICER'S REPORT

Bill Brown said the field looks pretty good especially with the rain we have had lately. He will cut the grass one more time before the "Giant Scale/Biplane Event" on Sunday. The "field tractor" used for cutting and rolling the grass had been vandalized and the alternator was not charging but Bill said he will cut the grass before the event even if the charging problem has not been solved by then.

SAFETY OFFICER'S REPORT

Dick Hultz said that the new "rules of flying" for the field have not yet been posted by the forest preserve. Many people are unaware of the "rules" and this is a matter of concern. We will continue to follow up with the Forest Preserve

to get the sign corrected.

EVENTS DIRECTOR

Keith Storrs wants to remind everyone about the Giant Scale/Biplane day coming up on Sunday October 8th. This is the last event of the year 2006.

OLD BUSINESS

Keith Bradley has received the contract back from the forest preserve that the club had signed with them. Dick Hultz and Keith Bradley have met with the carpenter from the forest preserve with the plans for the new storage shed for the tractor. Construction should be starting hopefully sometime in October. Chris surveyed the field to find out how much top soil we will need to take the dip out of the field on the northern end. It was estimated that it will take about 40 truck loads to fill it in. Chris has volunteered this to the club at no expense to us. The forest preserve has to be notified as to when this is going to take place.

NEW BUSINESS

A possible banquet for February or March was discussed. Gary Allen said he will contact Buzz

Surprise! The hump is gone!!

On Tuesday, Oct. 9th, Chris Josephsen brought in dirt and equipment and performed a small miracle. Check it out! It's beautiful! Grass seed was spread the following weekend and in the spring, it will be all green again.

NEW BUSINESS (Cont.)

and see if something can be worked out.

Dave, from Venture Hobbies, was at the club meeting. He brought a hat and "T" shirt and donated them for the monthly raffle. He wants us to be aware that he is doing all he can to make sure that if we go to his store we will be satisfied customers. He is working on updating his ordering procedure and working with the clerks to make his store more effective. More about Dave in "Show and Tell".

Dave Harrington wanted the members to also know that several items have been donated by Mike McClure for the raffle.

NEW MEMBERS ATTENDING THE MEETING

No new members were at the meeting this month.

SHOW AND TELL

Dave, from Venture Hobbies, brought 2 electric planes and talked several minutes about the new technologies going into the electric planes and some of the prices. Both of the planes that Dave brought were from Extreme Flight. Everyone was impressed with the laser cut lightening job that had been done on the planes and the quality of the Monocote covering job.

CLOSING

Keith Bradley closed the October meeting.

Recording Secretary

Bill Lewis

Treasurers Report For October

2006

September	Opening Balance	\$3,748.22
Credits	Dues Deposited	\$68.00
September	Total Credits	<hr/> \$68.00

	Debit Card - Stamps	\$21.06
September	Total Debits	<hr/> \$378.95
September	Ending Balance	<hr/> \$3,437.27

Renewal Hint!

Copies of the Membership Application and Renewal Form are attached with your e-mailed FlyPaper and are also available on the web site. One way to expedite your membership renewal would be to bring a completed form (Shaded fields only, for returning members) to a meeting. I will begin accepting renewals at the Nov. meeting if you have your new AMA card.
