Flash! Dave from Venture Hobbies
will be attending the October Meeting. As of this date, he has offered to talk about flying electric powered planes. There was also mention of some possible additions to the raffle!

MINUTES of the L.C.R.C.C. MEETING September 7, 2006

The meeting was called to order by Keith Bradley in the basement of Corky's Pub.

TREASURER'S REPORT

Steve Yeaton gave the Treasurer's Report (See page 2).

FIELD OFFICER'S REPORT

Bill Brown said the field looks pretty good but it is dry and needs rain. He would like to roll the field at least one more time this year. He was also surprised when he found out that the grass around the picnic tables had been cut by the park employees.

SAFETY OFFICER'S REPORT

Dick Hultz said to keep your eyes open for people not posting their frequency with the park issued permits. It seems that most of the violations are coming from non club members. Keep your eyes open also for people flying and not using the flight stations.

EVENTS DIRECTOR

Don't forget Cub Day at the field on September 10th. Rain day would be September 17th. Be sure to check the schedule for an upcoming event in October.

OLD BUSINESS

Keith Bradley and the members present thanked Gary Allen and Jim and Joan Doubek for all the work they had put in for the picnic. Gary was also thanked for getting "Gibby" out to the field from Comcast to tape the event. Gary says the raw tape of the picnic is over 2 hours. When we get the tape transferred to DVD copies will be made available upon request.

NEW BUSINESS

Dave, from Venture Hobbies, will be at the next club meeting which will be October 5th. He would like to give a talk on electric planes and possibly other subjects. He would like to strengthen the relationship between his store and our club members.

The agreement between the club and the forest preserve has been signed by Keith Bradley and turned back into the forest preserve. The club will meet with the forest preserve to finalize plans for a shed for the tractor. Also a wish list for future development projects has been turned in.

Keith would also like to remind everyone that the Forest Preserve has been very good to us. They have expanded the field and built us a parking lot and have waived many of the charges for picnics etc. In return it is not asking too much for all of us to make sure we close or lock the gate all the time and not to fly over the Boy Scout Area. Also keep an eye on the sunset time. We are supposed to be out of the field by sunset not just packing up.

It was suggested to put a box on the side of the frequency board for permits that were accidentally left at the field. Keith agreed to provide it.

The membership would also like to thank Mike McClure for his generosity. He has donated several gifts for the club raffles.

Thanks also due to Buddy Neely for providing two new signs, one for the club tractor to identify the club as maintaining the field and one for "No flying while the field is being mowed".

The amendment to the club constitution was voted on and easily passed. There is a posting of the changes on the web site. With the new changes, the club officers will be voted in for a one year duration and at the end of that duration may be voted out or may be voted back in with no limit to consecutive terms.

NEW MEMBERS ATTENDING THE MEETING

We had one new member and one returning member at the meeting this month.

Returning - William (Chops) Hervoy
New - Glenn Learnahan

CLOSING

Keith Bradley closed the September meeting.

Editor's Note: A copy of the newly revised Constitution and By-Laws is posted on the web site and may be downloaded from the Documents page or you may request a copy e-mailed to you at lcrccoffice@db3broadband.com.

You may also request a draft copy of the Lake County Forest Preserve contract from the same e-mail address.

Copies of the current roster may also be obtained through e-mail by request.

Copies of the Membership Application and Renewal Form are also available on the web site. One way to expedite your membership renewal would be to bring a completed form (Shaded fields only for returning members) to a meeting. I will begin accepting renewals at the Dec. meeting if you have your new AMA card.
