MINUTES of the L.C.R.C.C. MEETING February 1, 2007

Meeting called to order at 7:12

Steve Yeaton gave the treasurer's report. (See full report below.) He also gave a reminder that the March meeting is the last time to renew your membership without paying an initiation fee.

Bill Brown wasn't present for the field officer's report, but apparently the drive was plowed out.

Dick Hultz gave the safety officer's report. There was probably been very little activity at field recently and no safety issues.

Old Business

We will have a meeting with the forest preserve to get the revised rules posted and a new map displayed.

The boy scouts are having a change of officers and haven't gotten back to us. There is low turnout expected for the first event. We are still hoping to have training aircraft and fuel donated. If this event is successful, we will consider inviting other groups such as girl scouts and the civil air patrol.

Mike Taylor is trying to organize a night time fun fly at the field. A night time event would require permission from the forest preserve and every flier will need a permit. One club member may be able to provide stadium lighting. We may eventually try to get an exception with the forest preserve to

allow people to fly for one day without purchasing a permit.

New Business

Al's Hobby Shop is offering a rebate for clubs and discounts for club members. We provided them a roster and still need to fill out a form to activate the discount. Several members expressed recent dissatisfaction with Venture Hobbies. If you go to Greenfield News and Hobby, visit the back desk to get the lowest possible price.

There was one new member present. Welcome Bob Davis, Gurnee.

Meeting adjourned at 7:42.

Bill Weston
