

LAKE COUNTY ILLINOIS RADIO CONTROL CLUB

January 2007

Editor : Steve Yeaton 847-356-8130

AMA CHARTER CLUB #777

lcrccoffice@db3broadband.com

www.lakecountyncclub.org

MINUTES of the L.C.R.C.C. MEETING January 4, 2007

The meeting was called to order by Dick Hultz who was filling in for Keith Bradley. The meeting was held in the basement of Corky's.

TREASURER'S REPORT

Steve Yeaton gave the Treasurer's Report. Don't forget that Steve is now accepting the membership dues for 2007. Of course you need the AMA card first...

FIELD OFFICER'S REPORT

Bill Brown said the grass is green and also wet. There was no new activity on the shed.

SAFETY OFFICER'S REPORT

Dick Hultz's safety report is in under "New Business" because of the discussion of the flying pattern and flight station placement for helicopters.

EVENTS DIRECTOR

Keith Storrs has not made out the dates for events yet for 2007. He said that he wanted to try something new for some of the events but didn't elaborate. Mike Taylor offered to do something on his own for some event(s) this summer also.

OLD BUSINESS

There will be no restaurant dinner get together sponsored by the club this year.

There is no new news on the plan to work with the scouts for flying lessons at the field.

There was much discussion about the flying pattern at the field. Steve Yeaton has volunteered to write up new verbiage to be discussed and eventually be voted on by the club. These new rules will be about the east/west field and will include approximately 100 feet on the west end of the field to be used for helicopters. These new rules once voted on will be turned over to the forest preserve to be included on the new rules board the club is trying to get posted. I'm sure that Steve will somehow make all the members aware of the new rule(s) he is working on.

NEW BUSINESS

Dave Harrington has volunteered to run the raffles for the club for 2007 also. He has also come up with an idea that would have members bring in flying related items to be tagged and sold at a special table at the meetings. He said he would also sell items for the person but for a 10% cost which will be given to the club.

\$230 FOR SALE \$230
N.I.B. Hanger 9 P-51 ARF, .60 Size
Call Chuck Brzezicki 847-360-7650
or e-mail cbzezicki@aol.com
(box only opened to admire)

As far as we know there were not any flyers to take credit for the 1st flight of the year on January 1. The weather was not very agreeable. Dick Hultz and "Chops" and Bill Lewis made it out

there but no one had the courage to actually get a plane out and fly in the cold wind. *(I spoke to someone after the meeting who claimed he did fly that day but I can't remember who it was?...ed.)*

Bill Weston volunteered to do the meeting minutes for the month of February because the present recording secretary (Bill Lewis) will be in sunny Florida talking to Mickey Mouse for a few weeks.

Dick Hultz would like to get people to volunteer for cooking at the events this summer. No one would have to cook for every event if we had enough volunteers. It would also be nice if we had some volunteers to help the people that are doing the cooking to help share the load.

There is a new hobby shop in Winthrop Harbor. The owner, Ed Shuklemen, came down to make us all aware of his new facility. The name of his business is Harbor Hobby. It is located on Sheridan Road by the new Post Office. He said that he is set up primarily for cars right now but would like to expand into R/C Planes. He would like some advice on what to order so he can keep some of the simpler things like CA and hinges etc. in his shop. He is offering discounts.

Renew your AMA now!

Members report that it is taking about 3 weeks to get your new card.

Remember, club renewals accepted after the March meeting add \$20.

NEW MEMBERS ATTENDING THE MEETING

Welcome Randy Harkins Gurnee

There were also several new faces waiting for their AMA Card so they could join. We hope to see them in the coming month.

There were also some past members there that came in for a visit. Nice to see you guys. Stop by whenever you can, we always enjoy visiting with you.

SHOW AND TELL

There was no show and tell this month.

CLOSING

Dick Hultz closed the January meeting.
Recording Secretary Bill Lewis

Renewal Hint!

*Copies of the Membership Application and Renewal Form are attached with your e-mailed FlyPaper and are also available on the web site. One way to expedite your membership renewal would be to bring a completed form (Shaded fields only, for returning members) to a meeting. I am accepting renewals at all meetings if you have your new AMA card. Please remember if you're mailing it in, include the **Self-Addressed, Stamped Envelope.***

January		
December	Opening Balance	\$3,623.63
Credits	Dues Deposited	\$603.00
December	Total Credits	\$603.00
Disbursements		
December	Total Debits	\$0.00
December	Ending Balance	\$4,226.63

From our Raffle Chairman - Dave Harrington

Dave has provided a short financial report on the raffle funds for the year 2006. As mentioned in the minutes, he has also volunteered to run a "Mini Swap Meet" at each meeting. As I understand it, he will set up a table area for you to sell your model related stuff. You may supervise the sale of your own stuff for free or turn it over to Dave whereas a 10% commission would go to the club when sold. Drop Dave a line if you have questions. hdesign67@comcast.net.

April		
Balance \$ 13.26		
Take In \$ 25.00		
Balance \$ 38.26		

Rule 13

As also mentioned in the minutes. There was further discussion of the revisions to the Forest Preserve Rules. Here is a copy of the revision to Rule # 13 regarding flight stations and the helicopter training area.

13. The pilot shall remain behind the **Safety Buffer** and near a designated pilot flight station while flying. The only exceptions are for a brief time for take-off and landing or retrieving an aircraft. One additional flight station has been provided at the far West end of the north pit area for helicopter training only. This station is to be used for helicopter practice within approximately 50 feet of the flight station only. While using this flight station, flight over the restricted areas or East of the spectator area is expressly prohibited.

**NEXT MEETING - FEB. 1ST,
2007 7:15PM AT CORKY'S**

President: Keith Bradley	(847) 662-0473
