Minutes for LCRCC Meeting July 5, 2007

The meeting was opened by Dick Hultz in the basement of Corky's at approximately 7:15 pm.

Field Officer Report

The grass was cut for the Electric Plane Event for Sunday.

Safety Officer Report

Members should check the new rules board and familiarize themselves with the rules and flying and restricted zones as outlined on the graphic.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper.

Events Director

Don't forget the Electric Plane Event on Sunday July 8th. Don't forget to check the schedule for future events.

Old Business

Several items were purchased for the new tractor shed and some needed utensils for the picnics.

Gary Allen brought several plastic chairs out to the field. Most of them will be kept in the tractor shed until needed for events etc.

The event the club held in June was a success. The weather was great, the turn out was good, and the food was delicious.

Bob Davis built 3 new stands for the airplanes. They are larger and some modifications were incorporated by Bob in the construction. EXCELLENT JOB BOB and THANKS!!!

Some scouts might show up for the Sunday event. No one is sure but a letter had been received stating they were interested.

Gary Allen still had a lot of 2/4 stroke 15% glow fuel from WildCat for sale at a very reasonable price.

New Business

The raffle for the August picnic was discussed. A vote for \$500 for raffle prizes was passed. Also some prizes that would be used at our monthly raffle will be diverted to the picnic. John Russell is going to check with GreenField Hobby to see if he can get some good prices on R/C planes. Also separate cash prizes of \$25 and \$15 and \$10 for the women was agreed upon. All women at the picnic will be given a free ticket to show the clubs appreciation for the women putting up with our hobby.

The club is also looking for new items which anyone could donate for the picnic raffle or regular monthly raffles.

Some of the guys want to have a little swap meet set up on the side of the field.

New Members

We have one new past member re-joining the club this month. Welcome back Bob Forsman.

Show and Tell

No show and tell this month.

Meeting Close

Dick Hultz closed the meeting.

Recording Secretary

Web site news: Over the next few months, as I have the time and learn the features, I will be trying out a new way to display our photos on the web. I will be using the capabilities of the Yahoo! Flickr photo album site. This is a public site which allows anyone to post photos for public access.

From the photo page on the LCRCC web site, a link will open a new window displaying the photos in that particular set. A link will also be provided which will take you to an index of all LCRCC photo sets.

As of this writing, only one set is available with a limited number of photos as a test. I will be moving older photos and posting new photos as time permits. Please try this new feature and let me know what you think. Drop me a note by email with your comments or suggestions.

Check back often to see the new stuff and experiment with the other features in Flickr!

This system will be much easier for me to add new pictures and hopefully make our site more interesting with new material available. Also, using the search features, you can look for other R/C related photos or albums posted by other clubs. I have already found several other clubs using this service.

Oh, by the way, most of those NEW photos I mentioned need to come from you, the members of LCRCC. Remember to take your digital cameras to the field or on your next trip to a R/C event. E-mail the best ones to me for posting on the web site or inclusion here in the FlyPaper!
