AMA CHARTER CLUB #777

lcrccoffice@db3broadband.com

www.lakecountyncclub.org

Notice: Last Issue!!

(For those who have not renewed their LCRCC Membership.)

MINUTES of the L.C.R.C.C. MEETING March 1, 2007

The meeting was opened by Keith Bradley in the basement of Corky's at approximately 7:15 PM.

Field Officer Report

Bill Brown said the field is white and wet. He also mentioned that the forms for the new tractor shed have been set. Bill is hoping for some decent weather so he can roll the field.

Safety Officer Report

Dick Hultz had nothing new to report as there was no flying last month.

Treasurer's Report

Steve Yeaton gave the treasurer's report which will be posted in the FlyPaper.

Events Director

Keith Storrs has proposed the club events for this year. They were voted on and accepted by the attending membership. All events are being held on Sundays. Of course you can bring any plane on these days. The club is just trying to create a special interest of certain planes on these days for show and tell and unity. The club officers are going to have a meeting with the Forest Preserve to see if they can piece together an event which would include night flying as requested by Mike Taylor.

Calendar of Events (So Far):

May 6 th	First Flight Fright Day (for first flights on new planes for 2007)
June 3 rd	Scale Aircraft Day
July 8 th	Electric Day
August 5 th	Piper Cub Day
September 9 th	Club Picnic
October 7 th	Home Brew Day (Home built and designed)

Old Business - Events Continued

The club has asked for volunteers to cook for the events. If you volunteer to cook for just one event that would be great. There are only 6 events planned for the calendar year so if we could get 6 volunteers each person would only need to cook once. Bill Lewis will take care of the soda at all events so the person cooking doesn't have to worry about the liquid refreshments. Volunteers are greatly appreciated. We already have several volunteers whose names are shown on the full schedule shown on Page 3 in the FlyPaper.

One thing that some of the membership may not realize is that the club will reimburse you for any expenses to host these events. All you need is to turn in the receipt to Steve Yeaton (treasurer). We are going to put together a listing of possible foods and quantities to be served and about an average cost so that the volunteer will have a

guideline to help him/her. You can email or call any of the club officers or me, Bill Lewis at rcbillewis2@aol.com to help with any of these events. All officers email addresses are posted here and on the club website.

There has been no progress with the Boy Scouts being trained at the field. There has been a change in their leadership that has brought things to a temporary stand still in that area.

New Business

New clips will be provided on the frequency board for the new Spectrum Transmitters. Don't become complacent even if you have the new Spektrum Radio. The membership is reminded that ALL radios need to be posted on the board to keep everyone in the practice of posting and also so the forest preserve can visually see your permit.

New Members

No new members were present.

Show and Tell

Dick Hultz brought in a Bruce Tharp Delta Vortex plane that was not yet covered so we could see how it is constructed. He has put a lot of work into it. It is not an ARF. He installed an OS .90 engine in it. The plane is supposed to weigh between 7 and 8 pounds and have a 54 inch wingspan. The cowl is made of fiberglass and is a home brew built by "Chops". "Nice Job Dick"

Meeting Close

Keith Bradley closed the meeting.

Recording Secretary

Bill Lewis

Membership Update

As the membership renewal period closes, here's how the numbers stand.

Total Membership 73

Includes:

Family & Student 7

Honorary 1

2006 members that have not renewed 14

The final count for the AMA Charter renewal will be close to this since it will be mailed on March 23rd. An updated roster will be sent (email only) with the April FlyPaper.

Steve Yeaton Treasurer

Renewal Hint!

*Copies of the Membership Application and Renewal Form are attached with your e-mailed FlyPaper and are also available on the web site. One way to expedite your membership renewal would be to bring a completed form (Shaded fields only, for returning members) to a meeting. I am accepting renewals at all meetings if you have your current AMA card. Please remember if you're mailing it in, include the **Self-Addressed, Stamped Envelope.***

2007

February	Opening Balance	\$4,712.55
Credits	Dues Deposited	\$504.00
February	Total Credits	<u>\$504.00</u>
Disbursements		
February	Total Debits	<u>\$0.00</u>
February	Ending Balance	<u>\$5,216.55</u>

Forest Preserve Update

As many of you may have already seen, the weather has broken enough to allow the Forest Preserve carpenters to resume construction of our shed. Below are a couple pictures of the progress, compliments of Keith Bradley and Dick Hultz. If you are bored with these pictures, send a couple of yours (how about an airplane in the shot) as the project progresses and I will include them in future issues.

Keith Bradley, Dick Hultz and Steve Yeaton met with the Forest Preserve on March 15 and had a fruitful discussion on many topics of mutual interest. Join us at the April meeting to hear the latest!

2007 LCRCC Event Schedule

<u>Date</u>	<u>Event</u>	<u>Host</u>
