

LAKE COUNTY ILLINOIS RADIO CONTROL CLUB

November 2007

Editor : Steve Yeaton 847-356-8130

AMA CHARTER CLUB #777

lcrccoffice@db3broadband.com

Election of club offices next meeting!

Nominations will be reopened for those dying to serve!

Minutes for LCRCC Meeting November 1, 2007

The meeting was opened by Keith Bradley in the basement of Corky's at approximately 7:15 pm.

Field Officer Report

Bill Brown says the grass might need cutting one more time and the table umbrellas have been placed in the tractor shed for winter storage. The tables will be placed in the shed sometime soon.

Safety Officer Report

Nothing new to report this month.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the FlyPaper.

Events Director

No more events this year but Dick Hultz is trying to put together a chili cookout and some heat in the tractor shed for a January 1st event. More under "new business".

Old Business

Bob Ehnert, one of our long time members passed away this month. He has been active in the club for many years. He was not able to help around the field the last few years because of health problems. Both Bob and his brother Dick who also recently passed away could always be counted on to lend a hand. The club donated \$100 to the cancer foundation in his honor. The members attending the meeting stood for a moment of silence in respect to Bob. If anyone is interested in any of the RC engines and planes the was left behind by Dick Ehnert please contact one of the club offices who can put you in touch with Herb Ehnert who is managing the distribution.

Joe Schwartz, LCRCC honorary member and owner of The Model Shop on Sheridan road also passed away. The members also stood for a moment of silence for Joe.

Keith Bradley put together a letter or what might better be called a "wish list" for the field to be turned into the Forest Preserve. Concrete floor in the spectator area with a shelter over it, a portable toilet and some sort of apron leading into the tractor shed were included in the letter.

The club is looking for a few good people to volunteer to copy the clubs VHS tapes, which include flying and covering and engines, onto DVD. Any help would be appreciated.

New Business

NOMINATIONS FOR ALL CLUB OFFICER POSITIONS were opened. There were several members who volunteered to fill the open positions at the November meeting and nominations will be reopened at the December meeting. If you would like to serve the club by becoming an officer or if you know of someone that is interested in becoming a club officer please talk to this person about it and attend the December meeting so you or he can nominated. **PLEASE GIVE SERIOUS THOUGHT ABOUT HELPING YOUR CLUB BY BECOMING AN OFFICER.** Voting for all the club officer positions will be held at the December meeting. All the nominations that were accepted so far are posted in the FlyPaper.

Dick Hultz has proposed having a January 1st event. Details are still being worked out which would include

Club Web Site

www.lakecountyrccclub.org

someone volunteering to make chili for the event and trying to get some heat into the tractor shed. Once again we are looking for volunteers for the cooking and a possible generator and possibly hanging a plastic curtain over the doorway to let the light in and keep the cold out. This might also require snow plowing the access road if necessary.

The club is also looking for a volunteer to try to keep the road open from Russell Road to the field whenever it snows.

The club is negotiating a price for a tent with one of the club members. It would be a welcome addition to use at events in 2008.

One of our members, Mike Johnson and his wife were in a serious auto accident and were hospitalized. Our thoughts go out to them and hopefully they will have a speedy recovery.

Meeting Close

Keith Bradley closed the meeting.
