Minutes for LCRCC Meeting September 6, 2007

The meeting was opened by Vice President, Dick Hultz in the basement of Corky's at approximately 7:15 pm.

Field Officer Report

Bill Brown says the grass is green and in good shape compared to last month when the grass was crunchy.

Safety Officer Report

PLEASE, MEMBERS SHOULD CHECK RULE BOARD AND FAMILIARIZE THEMSELVES WITH THE AUTHORIZED FLYING AREA OUTLINED ON THE RULE BOARD. IF ANYONE IS SEEN FLYING OUT OF BOUNDS, EVEN IF NOT A CLUB MEMBER, THEY SHOULD BE MADE AWARE OF THE FLYING AREA DETAILED IN THE GRAPHIC. ALL FLYING MUST BE FROM THE DESIGNATED PILOT FLIGHT STATIONS EAST OF THE SPECTATOR AREA WITH THE EXCEPTION OF THE HELICOPTER HOVERING PRACTICE AREA.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper.

Events Director

Don't forget the Cub Day Event on September 9th. The club is going to have complementary food, soda and bottled water around noontime.

Old Business

We all want to thank Jim and Joan Dubek for the great job they did cooking at the August picnic. There was plenty of good food and soda for everyone. There were prizes for the women's raffle and a lot of winners in the

men's raffle. Dave Harrington said the raffle was a great success. The top winning ticket holder was Dick Hultz. He won an E-Flite Ultra Mini-Stick Plane with the motor, speed control, batteries and charger. Congratulations Dick. (Dick has already flown his little plane and loves it....)

The scouting program which the club has been trying to initiate has fallen through for next year. The Scout Regional Director has shown little interest in putting together a program with our club officers for the benefit of the scouts.

The large field roller needed a stop so it would not roll through the back of the garage. Bill Hervoy stepped up to the plate and made a nice stop out of a 4x8 sheet of chip board with a 4x4 block of wood attached near the end of it. He also brought a 4 x8 sheet of chip board to place under the tractor so it would not drip oil all over the floor. NICE JOB BILL (AKA - Chops!) and THANKS!

New Business

Don't forget the October Event. It's Oddity RC Aircraft day.

It is suggested that anyone wanting to buy or sell RC aircraft email the club treasurer or club secretary so it can be posted in the news letter or possibly on the club internet site. Articles of RC interest may also be posted in the same manner.

The AMA will be sending out renewal notices soon. We received a letter from Charley Bower, AMA

Club Web Site

www.lakecountyrccclub.org

District VP. He is suggesting that everyone vote for Dave Mathewson for the new AMA President. This letter was not paid for or endorsed by the AMA. It was not known at the time of the meeting if Dave Brown was also running for president.
