Great Time Was Had by All!

Many thanks to Joan and Jim Doubek, our volunteer chefs and all those that brought many great dishes to share (The baked beans were terrific!). There were many wonderful raffle prizes including "Ready to Fly" planes which I am sure we will be seeing at the field soon!

Minutes for LCRCC Meeting, August 7, 2008

The meeting was called to order by Dick Hultz in the backroom of Corky's at approximately 7:15 pm.

Field Officer's Report

Bill Lewis says the field is in good condition, but could use a little rain. Bill also said he has been working on getting the wind sock repaired, and that a half dozen or so other people became involved.

Safety Officer's Report

Keith Storrs was not in attendance to report.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted elsewhere in the Fly Paper.

Events Director

Glenn Learnahan reminded those in attendance that the annual club picnic would be held as scheduled. Steve Yeaton said he hoped there would be some baked beans on the menu.

Old Business

Dick Hultz talked with Ed Barnas' wife, who said that Ed had just come home, and that he will have a lot more therapy to go through. He suggested it would be nice to see Ed at the field, and offered assistance from the club, if it would be needed.

There will be a memorial service for Sal Grisaffi's wife, Gwen, who passed away in Tucson, just a week before her 74th birthday.

Dick contacted Tom at the Forest Preserve, and received approval to leave the gate open for the picnic.

It had been brought up during the past month as to whether or not we should have the 50-50 raffle along with the main raffle. During the discussion, Gary Allen thought it would be a good idea for all the members were to buy the 50-50 tickets, and he would be the only one with tickets for the main raffle. A motion was made, seconded, and passed to have only the main prize raffle. Surprisingly Gary was the only vote against it.

John Russell has purchased a lot of very nice prizes. Jim Spice donated a battery to go along with one of the RTF planes. I believe that Herb Ehnert donated some models from his deceased brother's collection.

New Business

Since Cub Day was cancelled due to bad weather, it is going to be merged with Bi-Plane day on September 7th. Due to the cooks possibly not being available on any substitute day, weather canceled events will be merged with a future event.

A chap named 'Spike' made himself known to Dick, as to loving to climb trees and has volunteered to rescue stranded planes. So, if your model loves trees more than the air, contact Dick for his number.

New Members

Welcome to EDDIE OKRZESIK who joined at the meeting. DON WEHRHEIM and ANDREW ROGERS joined through the mail.

Meeting Close

Dick Hultz closed the meeting at approximately 8:00 PM.
