The Annual New Year's Day Fly-In A Great success, Pictures on Page 3

Minutes for LCRCC Meeting January 3, 2008

The returning and newly elected officers took their respective seats, and the meeting was opened by president Dick Hultz, in the basement of Corky's at approximately 7:15 pm.

Field Officer Report

Bill Lewis had nothing to report on the field condition.

Safety Officer Report

Nothing new to report this month.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper.

Events Director

Glenn Learnahan says he will be working on events for the coming year. After asking for suggestions, Steve Yeaton suggested a review of the club's Constitution for the duties of the Events Director.

Old Business

It was suggested that perhaps the best way to get the Forest Preserve Flying Permit is to go to the office in person to pick it up. It only takes a few minutes. It's located just north of Buckley Road on the East side of highway 21.

The January 1st Fun-Fly was a success. Dick gave credit to the various people who volunteered their help. There were 4 heaters on site, but Keith Bradley's 60k propane fired unit was more than adequate. Keith

Storrs, Bob Purcell and Dick Hultz also brought heaters. Gary Allen brought his generator for a supply of electricity. Pat Werve furnished the coffee urn and coffee. A reminder for next year is to include cream and sugar. Bob Purcell furnished the very delicious chili.

Larry Borchardt did an excellent job of plowing the area, for access and for parking. The first flight of the year was accomplished by Steve Yeaton with an electric powered plane. Second was Keith Storrs after a hard start of his glow engine, and third was by Glenn Learnahan with an electric on floats.

New Business

Dick Hultz read a very nice letter, written by outgoing president Keith Bradley, to the Forest Preserve concerning what we would like to do this year. Dick also read the brief acknowledgement of the request from the Forest Preserve. Basically we would like to have an entry apron to the garage to allow safer entry with the tractor and roller and prevent damaging the edge of the floor with the roller. Next, a Porta-Potty near the garage was requested. Future improvements might also include a shelter over the spectator area. Dick and some of the other officers will be contacting the Forest Preserve people towards the end of February.

Dick requested volunteers for cooking at the various fun flies and signed up for one himself. Each volunteer would only be asked to cook for one outing. Dick would like to have a list made up by April 1. Food for these events is usually ready around 10:30 to 11:00. This notice will be posted for each event. (If I don't forget!)

Club Web Site

www.lakecountycrcclub.org

Upcoming shows are: Waukesha, Jan 6; DuPage Fair Grounds Feb 2; Toledo in April.

Dave Harrington, Raffle Director gave a presentation of finances for the four years he held this position. This data will be published in the Fly Paper at a later date. Dave also mentioned he is looking for a replacement raffle chairman as he would like to retire and pass the baton.

Buy – Sell – Articles of Interest

Chris Ellingsen of Sign-A-Rama can provide a full line of graphics, either as stickers, or decals, etc. His address is 843 E. Belvidere Road, Grayslake, IL. 60030. He can also be reached at grayslake@signarama.com.

New Members/Guests

Bill Sullivan (prospective new member)

Show and Tell

John Russell showed a very light weight electric model that weighed only 5 grams, and would cost around \$250.00 ready to fly.

Meeting Close

Dick Hultz closed the meeting.

Recording Secretary

Ray Nowak

Remember, membership renewals after the March meeting will be charged an additional \$20 late fee!
(Application forms included with your email.)
