AMA CHARTER CLUB #777

Editor : Steve Yeaton 847-356-8130

New sign welcomes R/C pilots!

Field Director Bill Lewis and President Dick Hultz responded quickly to the approval to erect a welcome sign with information about the club and provide a drop box for membership applications and directions to further information.

Photos on this page and some additional on page 3 provided by Bob Purcell.

Minutes for LCRCC Meeting June 5, 2008

With our Secretary absent from the meeting, there are no official minutes for the June meeting. Following are a few note and recollections provided by Dick Hultz and Steve Yeaton.

The warbird event held in May was a great success and was well attended.

We are going to put the old wind indicator from the 9th St. field up on the frequency board. This one should be a better indicator in lighter winds.

We are installing new sign at the field so that non club members will know how to join the club. Applications and further information will be provided.

We will not have any more merchandise raffles at the meetings.. Sal Grisaffi volunteered to run a 50/50 drawing instead. We may also have a 50/50 raffle at our monthly events.

We now have a portable toilet at the field. We are considering leaving it there year round at a reduced rate for the winter months.

There has been an inquiry about putting on a flying show for a Jr. High School this September. Hopefully we will get further information later.

Cub day was not held due to weather. It has been proposed to combine it with another event later in the year. Your input is welcomed.
