AMA CHARTER CLUB #777
Editor : Steve Yeaton 847-356-8130

Nominations for all club officers at the November meeting!

Photo by Bob Purcell

Well, since I didn't receive any pictures of our last event of the year, the Scale and Electric Fly-In Day, I have gratuitously presented a picture of my own "Twinger" (a Lanier Stinger 120 modified for twin Saito 65 engines). It flew well except for a sudden, unexplained dive into the corn at the end of the field. Minor damage to be repaired over the winter. (Ed.)

Minutes for LCRCC Meeting, October 2, 2008

The meeting was called to order by Dick Hultz in the basement of Corky's at approximately 7:15 pm.

Field Officer's Report

Bill and Dick are working on repairs to the power take-off and hydraulic system to raise the mower. They hope to have it ready in order to mow the field for Sunday's Fun-Fly. As a compliment to Bill, Gary Allen mentioned that when he was there last, the field looked like a golf course. Thanks, Gary.

Safety Officer's Report

Keith Storrs was not in attendance.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper. Steve also mentioned that he received a call from Chuck Brzezcki, who, with his wife and friend, did a remarkable job with the food. The bill for the food was \$100 but Chuck requested a check for only \$70.00. Thanks a bunch Chuck, et al.

Events Director

Glenn Learnahan reminded everyone of the upcoming Fun-Fly. It will be Scale and Electric Day.

Old Business

Biplane and Cub Day was a great success. Chuck and his wife did a great job with the food preparation. The 50-50 raffle went well, and Sal Grissafi said there was a \$60.00 split between the club and the winner.

Steve Yeaton and Dick Hultz attended a meeting sponsored by the Friends of the Lake County Forest Preserve. There they met and talked with the Forest Preserve president, Bonnie Carter. The purpose of the meeting was to encourage support for the upcoming referendum to renew the revenue bonds. This would not require a tax increase. Some other details were covered in a previous newsletter. Only \$0.03 of your property tax dollar goes to the Forest Preserve. The Forest Preserve has done an awful lot for us. We would not have, what we have, if it were not for them. They continue support of the club by such things as waiving \$40.00 requirement for picnics.

New Business

Sal Grissafi said he will not be here after the November meeting since he will be spending the winter in Arizona as usual. Lucky Sal. Johnnie Russell volunteered to run the 50/50 raffle in his absence. Members have probably received their membership renewals from AMA in the snail mail. A reminder that club membership renewals are due no later than the March meeting to avoid the \$20 penalty.

As to the Jan. 1 Fun-Fly, volunteers will be needed to supply chili for the event. Also coffee and the cream and sugar. Gary Allen may be able to supply the generator again if we can get it running. Dick Hultz will pursue having a volunteer on standby to plow the entry road if necessary. It was voted to have no raffle for the Jan 1 event this year.

Dick reminded that next month there will be the nomination of officers for the next year. All offices are open, if anyone wishes to fill any position.

Buy-Sell-Articles of Interest

New Members

Welcome to Tony Lawless, Lake Villa.

Meeting Close

Dick Hultz closed the meeting at approximately 8:00 PM.

Recording Secretary

Ray Nowak
