Biplane and Cub Day

Photo by Bob Purcell

Another Great Turnout!

Our chefs for the day were Chuck Brzezicki and his wife. The food was wonderful. The weather was great and planes were in the air all day! More photos on page 3.

For more information on the upcoming Lake County Forest Preserves referendum, visit the this web site!

Minutes for LCRCC Meeting, September 4, 2008

The meeting was called to order by Dick Hultz in the basement of Corky's at approximately 7:15 pm.

Field Officer's Report

Bill Lewis says the field is in great shape, but has to cut the safety barriers by hand, since the PTO on the tractor is in need of repair (parts ordered). The tractor does not need a new alternator, but requires that you run the engine up high enough to have the regulator 'kick in'. Bill also has been cutting the trees along the drive to prevent scratching your vehicles. A lot of extra work. Thanks a bunch, Bill.

Cutters need replacing. Gary Allen reminded us that Rich Ehnert, then Field Director, and this writer, replaced the cutters some number of years ago. Keith Bradley also offered assistance, should it be needed, with some of his facilities.

Safety Officer's Report

Keith Storrs was not in attendance, so there was no Safety Officer's report.

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper.

Events Director

Glenn Learnahan reminded those in attendance of the upcoming Cub/Biplane Day, on September 7.

Old Business

Dick mentioned that the picnic was a great success. Many thanks to Jim and Joan Doubek, and their friend Barb, for their most appreciated efforts in the 'kitchen' for a very large turnout. Many people brought pass-around dishes, which complemented the customary brats, burgers, hot dogs, etc. John Russell made some very nice choices in the prizes which he purchased for the raffle from Greenfield News & Hobbies in Milwaukee. No sales tax for the out of state purchase and great prices to boot!

Jim Spice donated a battery, and Herb Ehnert donated 2 sailplane kits from his deceased brother's collection.

New Business

Ed Barnas was at the picnic, and looks well after his recent illness. He uses a crutch, but gets along rather well, considering. He also mentioned that he wants to get back into flying. Welcome back, and our best wishes are with you, Ed.

There was also a letter from the Lake County Forest Preserves, requesting our assistance in informing voters of their upcoming renewal of their bond issue. This is not a request for additional bonds, but merely to renew their existing bonds which are due to expire. Should the referendum not pass, there would be a reduction of about \$24.00 for a home valued at \$200,000.00 or about \$48.00 for a home valued at \$400,000.00. However land purchases would come to a halt and improvement projects would stagnate. If you should vote YES, the Forest Preserve District programs could continue unchanged. Voting will take place on Nov. 4, 2008.

Some of you may have noticed three (3) new umbrellas over the tables. Dick expended much energy in acquiring these umbrellas at a fantastic savings to the club. Many trips to Wal-Mart, Menards, and Lowes, and the expenditure of much time resulted in his ability to purchase the about \$450.00 worth of umbrellas for around \$180.00. A big bunch of thanks, Dick.

Keith Bradley volunteered to attend the F.P. meeting with Dick, since he is a familiar face to them. Your officers and past officers are continuing to serve you.

There was some discussion of other helicopter pilots monopolizing the flight time for those who might not like the 'copters buzzing back and forth in the flight area. Dick suggested that you go to them and talk about sharing time for flights. An excellent suggestion. I apologize, I did not get the club members' name, but he did mention that one evening a ranger stopped by to watch the fliers, and commented on the quality of this field since we started working with them and how quite it is. Apparently he meant there have been no complaints.

New Members

Welcome to Chuck Olson who joined us this month.

Meeting Close

Dick Hultz closed the meeting at approximately 8:00 PM..

Recording Secretary

Ray Nowak

Herb Ehnert has the following for sale:
All JR. 2 Max 4 xmtrs. No batteries, cha. 18.
1 NEH 531 servo. 4 NES507 servos.
2 6" servo extensions. 1 slide swirch.
1 NER226x rcvr. 6 cha.
All for \$50! 847-623-5319
