Food and Fun for All

Minutes for LCRCC Meeting, August 6, 2009

The meeting was called to order by Pres. Dick Hultz, in the back room of Corky's Pub at 7:15PM.

Meeting Minutes

Dick accepted the minutes as posted in the "Flypaper".

Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the FlyPaper.

Field Officer's Report

Bill Lewis reported that the field was in excellent shape and ready for our weekend Fun-Fly. Bill reported that there was major repair work on the mower deck but it has been rebuilt and is working fine.

Safety Officer's Report

Johnnie Russell stated that no incidents have been reported to him. The new rules have been put into effect about no Taxiing in the pits, and the information is now posted on the board at the field. A reminder was also given about flying within the limits of the field.

Events Director

Tony Lawless commented that the last event (Bipe Day) was great, with outstanding attendance. Sam Brown was thanked for his work as "Chef". And the upcoming Picnic was all good to go. Our next event, Sept. 6th, will be "Cub" Day. The cook for this event will be Chuck Brzezicki.

Old Business

Dick commented again about the good turnout and success of "Bipe Day" and elaborated about the Pit taxiing rule. He also reported that the club trainer plane is complete and ready for service. He thanked those people who donated parts and equipment for the plane;

Bill Rago for servos.

Bob Purcell for the Engine/Spinner & JR 7202 radio.

Chuck Brzezicki's friend Bubba? Gave us the plane.

Gary Allen and Tony Lawless both donated a gallon of fuel each. Thanks guys!!

New Business

The Aug 15, Boy Scouts event is on. Those attending have been invited to have dinner with the Scouts (The boys will be cooking). Dick is asking for people to help with flight demonstrations and some "Hands on" show and tell for the scouts. The scouts requested that they be able to use the field

to launch their "Soda Bottle Rockets" in the evening. After much discussion as to what the rockets actually are, the club decided that there would not be a problem with that, as long as there was "Adult" supervision and sufficient cleanup.

Picnic... Aug 9, bring a dish to pass and maybe your own chairs. Jim and Joan Doubek will be chefs. Lunch will be starting at noon, with the raffle to follow. Sal Grisaffi and Dave Harrington will be running the raffle. Johnnie Russell suggested we offer a free raffle ticket to anyone flying a plane. A 50/50 raffle in addition to the prize raffle was suggested and after discussion was rejected. And a special raffle for the women attending was suggested and prizes of \$25 for 1st \$15 2nd and \$10 for third were adopted.

Johnnie reported about all the prizes available for the Picnic Raffle. Special thanks were given to "Greenfield Hobbies" for their participation in giving us great discounts for the prizes purchased there. It was also mentioned that George and Roger from Greenfield have been invited to the picnic. Thanks to Johnnie for getting the items from them. Other items for the raffle were also donated by individuals. Thanks go out to; Rob Wiley, Steve Yeaton, Chuck Brzezicki, Bob Purcell and Steve Hultz.

A motion was followed by a second and passed by voice vote to reimburse Dick Hultz for the mower repair cost of \$710.81.

It was reported that Ray Nowak is at the VA Hospital in N. Chicago. Further information will be made available as it comes in.

Steve Yeaton reported on the garage sale that he sent emails about. Steve also reported that Venture Hobbies (now Don's Hobbies) has been re-opened under Don's ownership while he looks for a buyer. It is cash only, (no Credit Cards) and no refunds...

Show and Tell

Tony Lawless had a Hanger 9 Mustang kit for sale as well as an F-22 kit.

Meeting Close

On a motion/second the Meeting was closed by Dick at 8:40 pm.
