AMA CHARTER CLUB #777

Editor : Steve Yeaton 847-356-8130

## Renewal Deadline - March Meeting!

As you all know by now, the March club meeting is the last chance to renew your LCRCC membership for \$36 without incurring the \$20 late penalty. For those of you who have not renewed and can't make the March meeting, I will wave the late fee until March 15th if you have contacted me by email or phone before the meeting on March 5th. - Steve Yeaton, LCRCC Treasurer

## Returning soon to a flying field near you!

Rumor has it that a few hardy souls have been making their way out to the field over the last few weeks when the entrance road has been passable but most of us are waiting for better conditions. As the weather improves, many more will have made it before the next newsletter comes out. This picture as well as those on page 3 are random shots, previously unpublished, of the past great year of flying. I can only print what members send me so if you want to show off your latest, take your digital camera to the field next time and send me your best! - ed.

## Minutes for LCRCC Meeting, February 5, 2009

The meeting was called to order by Dick Hultz in the backroom of Corky's at approximately 7:15 pm.

### Field Officer's Report

Access to the field had been snow plowed, evidently by the Forest Preserve District.

### Safety Officer's Report

John Russell said there was little outdoor flying, and all the indoor flying was done with no ill effects. All seems to be going along rather well.

### Treasurer's Report

Steve Yeaton gave the treasurer's report which is posted in the Fly Paper.

### Events Director

There was much discussion about different kinds of events for the up coming year. Among them was the possible return of the endurance flight for glow fueled aircraft, balloon busting, loops and rolls, then landing, etc. Dick Hultz said he would talk more with Tony Loveless after the meeting about these items.

### Old Business

Dick Hultz said he has contacted the forest preserve, and they have begun issuing the laminated ID cards. If you have signed up and not received yours as yet, contact them, and they should send you one. Dick also says he still needs one more chef to fill the coming year's planned activities.

### New Business

Dick mentioned the magazine RC Report went out of business, due to rising operating costs. Advertisers were buying smaller ads, or none at all, etc. Dick also mentioned there were four popular magazines for our hobby not long ago. They were: RC Modeler, RC Report, Model Airplane News, and Model Aviation with only Model Aviation now left. John Russell mentioned FlyRC as possible replacement for RC Modeler.

An indoor all-nighter fly-in in Bensenville is on March 14<sup>th</sup>. Email notices were sent to all club email addresses.

### Buy-Sell-Articles of Interest

Rob Wiley had several items to sell and he can be contacted at [fueljetpilot@comcast.net](mailto:fueljetpilot@comcast.net) for a list.

### Meeting Close

Dick Hultz closed the meeting at approximately 8:00 PM..

### Recording Secretary

for Jim Spice - Ray Nowak
