AMA CHARTER CLUB #777
Editor : Steve Yeaton 847-356-8130

Indoor Flying, a Hugh Success!

Since beginning in December, each week has seen a larger turnout with well over 20 registered flyers at the last, Jan. 23, session. The activity even attracted the attention of the Waukegan News-Sun which published a large article with pictures in the Jan. 22 edition. If you missed it, check it out on the web at www.suburbanchicagonews.com/newssun/news. A special thanks goes to Dave Taylor who arranged for the facility and organizes the weekly activities. Stop by on any Fri. evening from 9:00 to Midnight through the end of March. If you intend to fly, bring your AMA card and a \$10 donation to cover the cost of the Park District personnel we keep up past their bedtimes.

Old Business

Those that attended the Wakesha Swap Meet stated that it was a small show in both attendance and lack of Vendors.

Johnny Russell made an announcement that indoor flying at the Waukegan Recreational Center will be continued through March. Flying is; Fridays from 9 PM - Midnight located at The Field House on Baldwin Ave. in Waukegan.

Discussion about the "Annual New Year's Day" fly-in. There was a great turnout with plenty of good food and Flying. Thanks to all that participated and provided the food, Drinks, power, and fun. (A round of applause was presented).

Dick Hultz is still looking for volunteer cooks ("Chefs") to serve at our season Fly-ins. If you are interested, get in touch with Dick or any officer and we will get you signed up.

Also mentioned was "Don's Hobbies" ongoing "out of business sale" as noted in previous issues of the FlyPaper.

A report on the Video Tape to DVD was made. Jim Spice noted that the tapes seem to be in good shape. The attempt to transfer some Tapes to DVD was met with a problem with copy write protection written onto the tapes. After discussion, Steve Yeaton agreed to work on a program to get around this and transfer the tapes.

It was agreed Jim and Steve would work together and get this done.

New Business

Dick Hultz announced that Richard Antes wife had passed away and that a card had been sent on behalf of the Club.

Forest Preserve permit cards. A discussion about how the "Lake County Forest Preserve" had initially decided not to issue individual cards this year. Dick Hultz stated he had spoken with them and discussed how this was not a viable alternative and they have agreed to issue the cards again. Currently when you apply you will not receive a card but only a receipt. The LCFP has said they will issue cards to those people at a later date.

Just a reminder, that the March meeting is the end of registration for club membership without incurring a late fee.

The Toledo show is scheduled for April 3-4-5. Johnny Russell commented that the hotel is not taking reservations until Feb. for that time period.

Special thanks were given to Steve Yeaton for his "extra" work he is and has done for the club. "Thanks Steve"...

A question was asked about starting time at the field. Trying to lower the times for electric flying (to take advantage of low wind conditions) Discussion evolved to the point where it will be asked about at the next meeting with the LCFP.

Show and Tell

Jim Spice had a few new items to display from his "Coptercptn Sales" co. and demonstrated the "Loc8tor" plane finding device he now has for sale. Contact Jim for details at jimjet2@comcast.net or 847-662-7267.

Meeting Close

On a motion by Keith Storrs and seconded by Ray Nowak, Dick Hultz closed the meeting at approximately 8pm.

The ever-popular,
Ask the Treasurer!

Q: Why this deadline date and \$20 late fee stuff? Isn't it just a ploy to get more Hotdog money for your silly event cookouts? *Jet Topper, Beach Park*

A: Yes!...Just kidding. The late fee was add to the LCRCC Constitution & Bylaws as an incentive to complete the annual membership renewal process so that our AMA Club Charter renewal and official rooster printout could be returned to the AMA by the March 31 due date. Any new members or roster changes must be submitted individually to the AMA after that date. Maintaining accurate records is an important part of our AMA Club Charter. *Steve Yeaton, LCRCC Treasurer*
