LCRCC Annual Picnic

August 8th, 2010

Photo by Buzz Paricka

With the weather a bit questionable early, it cleared just in time for a great day for everyone. Our hosts, Jim and Joan Doubek fired up the grill while members and guests loaded the desert table. It was a bit windy for many but a great time for all.

Minutes for the LCRCC Meeting, August 5, 2010

The Monthly meeting of the LCRCC was held in the Zion Public Library. Dick Hultz called the meeting to order at 7:16 with 20 members present.

Secretary report:

The previous months minutes were accepted as printed in the "Flypaper"

Treasurers Report:

The treasurers report was presented by Steve Yeaton and accepted as read.

Field Director Report:

Bill Lewis reported that the field has been mowed and ready for the annual Picnic.

Also, the "Porta Potty" has been replaced by a newer "Fresher" version. A new push mower has been purchased and is in operation. Bill is asking that anyone with time to spare could volunteer to help with the weekly mowing. Call Bill or Email him for a schedule of when he will be mowing.

Safety Report:

John Russell reported all was good at the field with the exception of a few noise issues.

Old Business:

Thanks to Bill Lewis & Bill Rago for obtaining (and preparing) the food and drinks for the past giant Scale Day event.

The additional "Scout Day" has been cancelled.

New Business:

Instructor night (Tuesdays) will be reviewed as there have not been many show up. There may be a need to change how we handle this.

Dick asked everyone to bring chairs to the picnic. Also there will be a raffle for the women. Cash prizes, all women attending will get one ticket and three prizes will be awarded. John Russell asked that 500\$ be allotted for picnic prizes (from Greenfield). On a motion from Gary Allen and voice vote it was approved by the members present.

A new wing for the club trainer was purchased and Gary Allen donated an additional wing he had (so we now have a spare wing).

Dick bought 3 new umbrellas (2 to replace damaged ones and a spare). a reminder to members to close the umbrellas when you leave the field.

The Forrest Preserve has allowed us to leave the gate open on our picnic event but only for that event.

Jim Spice brought up the issue of the Boy scouts running RC cars in their area while we are flying which could present a frequency issue.

Bill Rago had a Sullivan starter for sale.

We "DO" have a chef for the Oct. Thanks to Sal Grisaffi, all of our events are now covered.

On a motion, second, and voice vote, the meeting was adjourned at 7:49pm.
