Minutes for LCRCC Meeting, February 4, 2010

The meeting was called to order by Pres. Dick Hultz, in the back room of Corky's Pub at 7:18PM. 25 members present.

Meeting Minutes

Dick accepted the minutes as posted in the "Flypaper"

Treasurer's Report

Was read and approved as posted in this FlyPaper.

Field Officer's Report

Other than snow on the field there was no report.

Safety Officer's Report

No report due to weather and season.

Events Director

The schedule is being readied and the option of an "early" (April) event is being considered. Those wanting something to be added should contact Russ Scott.

Old Business

The Club Banquet was a roaring success. The turnout was great and so was the food. Raffle prizes and a special raffle for the women went well. (The Club actually made money) Plans are already being thought of for next year.

Dick reported that the LCFP (in an Email) has given us the official "go ahead" to begin work on the field expansion. Work will begin as weather permits. We will be looking for volunteers to help with field preparations.

Calendar issues were discussed for upcoming Fun-Flys. This is to try and prevent any conflicts with holidays and other popular events that may fall on the usual dates. There was some discussion about having a "special" event (nightfly) with the possibility of bringing in "Demo" pilots, and what would need to be done to conform to LCFP regulations.

New Business

Other than the mention of the upcoming Toledo Expo, there was no new business. (Gary Allen will be getting fuel. Those interested should contact him.)

New Members and Guests

Sam Challis and his son were new guests to the club, welcome guys.

New Members and Guests

Show and Tell

Rob Wiley brought some BME 50cc size cylinders and pistons. He explained the difference and the need for High Octane fuel in some of the newer performance engines.

Meeting Close

On a motion/second and voice vote, the Meeting was closed by Dick at 8:08PM.

Recording Secretary

Jim Spice

Bringing the renewal form to the meeting with the shaded areas filled in will help move the process along.

***Can't make the meeting?**

You can still avoid the late fees! Just notify the treasurer (phone # and email address found on back page) before the meeting and mail in your renewal by March 15. Please follow email instruction found below and on the renewal form.

A little help for the treasurer, PLEASE! When renewing by mail, read all the instructions on the renewal form and include all the requested items including a copy of your AMA Card or Internet Receipt, Self-Addressed Stamped Envelope, and your check. If you are renewing, you need to only fill in the shaded areas unless some of the other information has changed. Hint: Don't put a *Return Address* on the envelope; that's for me.
