AMA CHARTER CLUB #777

Editor : Steve Yeaton 847-356-8130

## Giant Scale Day

This is a picture of Nathan Burg. His dad, Dan, brought him out to the field on Sunday without the knowing that he needed a permit and AMA. We didn't want to turn them away without at least having Nathan trying to fly his plane. He has been practicing on his flight simulator at home since Christmas. After explaining about the club, the field was finally clear so the father hand launched the plane and Nathan flew the plane around to the left and then to the right a few times and then landed the plane. The plane nosed over only because there was not enough elevator. The transmitter had no trainer plug in it so he was on his own without an instructor. His flying amazed all of us and the father said they were definitely going to join the club.

## Minutes for the LCRCC Meeting, July 1, 2010

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:17 with 19 members present. The previous months minutes were accepted as printed in the "Flypaper"

### Treasurer's Report:

The treasurers report was presented by Steve Yeaton and is posted here.

### Field Director's Report:

Bill Lewis thanked members for help in repairing our equipment. He also noted that the mower deck on the tractor needs some repair and Bill Rago has volunteered to bring out some welding equipment and do that repair for us. There were expenditures for oil change supplies, and also we need to replace some of the umbrellas that have been damaged by storms. In addition to that, one of our hand mowers is shot and needs to be replaced.

On a motion by Gary Allen and second by Al Parshall permission to purchase a new mower (cost not to exceed \$250) was granted by vote of members present.

### Safety Report:

John Russell reported all was good at the field.

### Events Director:

Russ Scott reminded folks of the upcoming "Giant Scale" day on the 11th. Bill Rago (and friend) will cook.

### Old Business:

Great turnout & Great event, "Yak & Warbird Day".

Dick is still looking for a cook for our OCT. Event. If no one volunteers we will simply not have food at the event.

The scouts are looking to have us host another "Scout Day" in August. Details will be forthcoming.

**Newsletter editor position available. Growth potential and rapid advancement assured!**

**Only 8 more FlyPapers (4 with member pictures) unless there is a new editor. I would continue to maintain the mailing and distribution for the new editor if required. Contact Steve Yeaton, Editor [LCRCC@ATT.NET](mailto:LCRCC@ATT.NET)**

### New Business:

Bob Purcell brought 3 new umbrellas to the field. Dick will be looking for deals on (3) more umbrellas for replacements and a spare when they go on sale.

Special Thanks to Gary Allen for obtaining the room at the library for our meetings. We have asked him to try and reserve it for the next year.

Steve Yeaton reported on a new member Tim Harrigan (not present).

There was no show and tell.

On a motion, second, and voice vote, the meeting was adjourned at 7:43pm.
