Minutes for the LCRCC Meeting, March 4, 2010

The meeting was called to order by Pres. Dick Hultz, in the back room of Corky's Pub at 7:18PM. 23 members present

Meeting Minutes

Dick accepted the minutes as posted in the "Flypaper".

Treasurer's Report

Was read and approved.

Field Officer's Report

The access road has been plowed and there is snow on the field.

Safety Officer's Report

No report due to weather and season.

Events Director

The new schedule for 2010 was handed out by Russ at the meeting. After some discussion a few events were combined and edited. This schedule is included in the "Flypaper". Those wanting something to be added should contact Russ Scott.

Old Business

Mike Taylor is ready to start work on the field expansion as soon as the weather permits. Dick will be looking for volunteers to work on the project as soon as it is ready.

New Business

The subject of flying field permits was discussed as the LCFP is checking them. Be sure to have your permit and have it displayed "ON THE FREQUENCY BOARD" at the field when flying to avoid any problems with the park officers. Again, as every year we need "Chefs" to cook for our Fun Fly weekends. Bill Rago has graciously volunteered for May and July along with Jim Doubek for the August (picnic). Thanks for that guys but the remaining events need volunteers, Contact Dick to sign up.

Thanks to Jim Buchanan for the great job in keeping the access road plowed this year.

It was decided to start the Porta potty service in March, Steve Yeaton said he would contact those people and have that done.

John Russell reported that Al Parshall is recovering from a broken ankle.

New Members

Frank Merlock was present as a new Member (actually a rejoining member) as Frank was with the club years ago and has decided to get back into flying. Welcome back Frank!

Meeting Close

On a motion/second and voice vote, the Meeting was closed by Dick at 8:00PM.

Recording Secretary

Jim Spice
