Meeting Minutes December 1st, 2011

The Monthly meeting of the LCRCC was held in the Zion Public Library. Dick Hultz called the meeting to order at 7:15 with 19 members present.

Secretary report:

The previous months minutes were accepted as printed in the "FlyPaper."

Treasurers Report:

Leonard Martin presented the Treasures Report and was accepted as read.

Field officer report:

Bill Lewis reported airplane stands have been moved off the field and near the parking lot area as preparation for winter. Bill replaced the dead battery in the tractor and noted that a new battery is needed about every two years. Thanks Bill for keeping the tractor in good working order!

Safety Report:

John Russell reported that he has received no complaints or had any safety issues at the field.

Events Director:

Due to the absence of the events director there was no report from Bill Rago however Dick Hultz reminded everyone of the upcoming "New Year's Day Fun Fly and Chili Cookout event" on Jan 1st.

Old Business:

Dick asked the members in attendance if starting the "New Year's Day Fun Fly and Chili Cookout event" at 11am would be better than 10am which was last reported in the November newsletter. It was agreed by all that 11am is a better time. It was re-noted that Bill Rago will bring a coffee pot, a generator and pick up some donuts. Jim Spice is bringing a second generator for heaters and lighting. Keith Storrs may bring a generator also. Jack Bernard is bringing the chili as he did last year. Dick will bring heaters and some more lighting and Steve will bring some bottled water for additional refreshments.

It was noted that a new volunteer is needed to be responsible for obtaining and bringing soda and water to all the future club events. The club really needs a volunteer for this, so if interested please contact Dick Hultz, club president right away.

James Buchanan has been doing the club a huge favor by snow plowing out the road and parking lot at the

field so people can fly during the winter months. In recognition of this appreciated effort, Dick Hultz motioned to have the club waive his annual membership dues for 2012, which was seconded and approved by all.

Porta Potty Toilet winter readiness service was performed and service stopped for this season. The club will resume monthly service in March/April of 2012.

New Business:

Ion Despoiu conducted an overhead projector presentation of the new club website that he has developed with some input from Steve and Leonard. The club members were impressed by the look and layout of the new site and thanked Ion for his all his hard work on this. The new web site was made live on December 1, 2011 right after the meeting. The new site has the same address as the old site which is www.lakecountyrclub.org. This new web site has all the information one needs regarding the clubs activities, including the current FlyPaper and previous monthly FlyPapers dating back to 2005; member application form and club bylaws; flying field location maps; access to the lake county forest preserve web site to pay your dues; a photo gallery; club events information; a link to the Academy of Model Aeronautics web site; a pictorial of weather information including wind speed and direction, and much more. Please check it out today, bookmark it and enjoy all the useful information it has to offer.

Gary Allen mentioned that he has reserved the library conference room for the next six months. It was motioned by Dick Hultz to donate \$100 dollars to the library for the use of the room which was seconded and approved by all. The donation payment will be presented by Gary Allen at the January club meeting. The last time the club made such a donation was back on January 7th, 2011.

Johnnie Russell offered an opportunity for club members to get great looking logoed items at a great price.

Logo wear price list

You can now order clothing items embroidered with our LCRCC logo (about the same size as our patches). This is high quality full color embroidering. The prices below include the embroidered LCRCC logo. This is done by a local small businesswoman who does beautiful work. We don't have a catalog, so please order in standard colors: black, red, etc.

Crewneck sweatshirt	\$18
Hooded sweatshirt	\$23
T-shirt	\$12
Long sleeved t-shirt	\$15
Egyptian cotton polo, pique knit	\$20
Logo embroidered on your items*	\$6
Name embroidered on purchased item	\$3

*It cannot be put on caps, but would work on shirts, jackets, picnic blankets and the like.

She can do this for anyone - groups or individuals. There is a one-time \$20 digitizing fee for artwork of reasonable size.

Election of Officers:

The annual Election of Officers was held. Dick opened the floor to any additional nominations. None were forthcoming. On a motion to elect the nominees it was seconded and then approved by all.

The following officers were elected by unanimous vote:

Dick Hultz - President

Johnnie Russell - VP/Safety Director

Leonard Martin - Treasurer

Jim Spice - Secretary

Bill Lewis - Field Director

Bill Rago - Events Director

Dick Hultz made a motion to declare that the newly elected Treasurer, Leonard Martin, the prior Treasurer, Steve Yeaton and the elected club President, Dick Hultz to have full access and signature authority rights to the clubs checking and savings account which was seconded and then approved by all.

Dick Hultz congratulated the officers for their contributions over the past year as well as stepping forth for another year of service. He thanked Steve Yeaton for his Treasurer and website contributions and welcomed Leonard as the new Treasurer. Dick Hultz also wished everyone a Merry Christmas and Happy New Year!

Show and Tell:

Leonard Martin presented 6 kits and some airplane accessories that were graciously provided by

Dr. Michael Corn of Gurnee. He reached out to the LCRCC club to offer these items that were once owned by his father some 20 years ago that have been in storage since his passing. The planes and accessories date back to the 1940's and 1950's. Michael's only request was that whoever takes the kits that they actually build and possibly fly them as his dad would have intended. The accessories and three of the plane kits were taken by the club members that attended the meeting. The three kits that remain that are available for free to anyone who has an interest (contact Leonard Martin at www.lakecountyrcc@gmail.com) as follows: H-Ray by AMCO, RC Trainer, 1950's plane kit, .09 to .15 size two stroke engine
Stunt Wagon "30" by DeBolt, Control Line, 1949 plane kit, .23 to .36 size two stroke engine
Den 1, RC Sport, .40 to .60 size two stroke engine

Robert Wiley presented pictures of a race boat that he has been involved in building and racing in Arizona – Nice pictures Rob!

New Members:

No new members present.

Close Meeting:

On a motion, second, and voice vote, the meeting was adjourned at 8:15pm.

Leonard Martin
