Meeting minutes Nov. 3, 2011

The Monthly meeting of the LCRCC was held in the Zion Public Library. Dick Hultz called the meeting to order at 7:15, with 17 members present.

Secretary report:

The previous months minutes were accepted as printed in the "Flypaper."

Treasurers Report:

Len Martin presented the Treasurers report, and took over duties of Club Treasurer for Steve Yeaton. It was approved by the members via voice vote.

Field Officer Report:

In Bill Lewis' absence, Dick reported that the beans were gone and the flight station umbrellas and tables had been put away for the season.

Safety Report:

John Russell reported that there is still an issue with noise on a couple of airplanes being flown at the field. An open forum was held with the members present as to how to handle the problem. No immediate solution was evident and the issue was tabled for further discussion. Any suggestions would be welcome to solve this...

Steve brought up an issue, that he had noticed the scouts are watching flying from the north side of the flying area... This has a potential for accidents because that area is unprotected and someone may not see an airplane/helicopter coming. A suggestion was brought up to involve the Forrest Preserve to put some signage in place as a warning not to be in that area.

Events Director:

Bill Rago commented on last month's event, and how it was a great event and super ending to our season... Thanks to all that helped!!!

Old Business:

Thanks to Jack Bernard and Dave Harrington for last month's refreshments and food. There was a great Turnout and some good flying.

Steve gave us an update on Keith Bradley's condition stating that he had the latest procedures done and was recovering at home. Our thought and prayers are with him hoping for a complete and speedy recovery.

New Business:

Dick brought up the Jan 1st annual "New Year's Day Fun Fly and Chili Cookout" at the field. Bill Rago volunteered to bring the coffee pot, a generator, and pick up some donuts. Jim Spice is bringing a second generator for heaters and lighting. Jack Bernard offered to bring the chili as he did last year. Dick will bring heaters and Steve volunteered to bring some bottled water for additional refreshments. So, the event is ready to go... Chili will be ready @ 10am... Be there or....(You know).

Len reported that he received an email from Dave Taylor saying indoor flying will start at the Waukegan recreation center on Fri. Nov.11th, 9pm. You need a current AMA card and \$10 pilot fee.

Dick opened the floor for Club officer nominations. The nominees are as follows;

Pres.; Dick Hultz
V.Pres/Safety; John Russell
Treasurer; Len Martin
Secretary; Jim Spice
Field Officer; Bill Lewis
Events Director; Bill Rago

On a motion /second, Nominations were closed.

Nominations will be re-opened at next month's meeting prior to elections. If you wish to run for a position be there to get your hat in the ring.

Dick gave a big "Atta Boy" to Steve Yeaton and all present applauded him for his years of service to the club.

Dick also wanted to thank all the officers for their work over the past year/s.

Len Martin said a few words about taking over for Steve and also wanted everyone to know that the Club has a new email address:

lakecountyr@gmail.com

Also, that the dues are now being collected for the coming year. You have until March to pay them before you are penalized. You need a current AMA card before he can accept your Dues payment.

Show and Tell:

Jim Spice brought a "mini scale," H-13 "Mash" helicopter and flew it for the club. He reported how he built it using an MCPX e-flite helicopter and an old Revell 1/35 scale plastic kit. There is a YouTube video of it at the horizon hobbies booth during the IHobby show in Rosemont.

On a motion, second, and voice vote, the meeting was adjourned at 8:05pm.
