AMA CHARTER CLUB #777

Editor : Bill Rago: 847-489-8871

**June 10th. is Electric & Cub Day**

**A soggy Jack Bernard bringing goodies for our May event, Many thanks to Jack Bernard, Sam Brown & Cynthia Simmons for making this event work!**

## Meeting minutes May 4, 2012

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:15 with 18 members present and 3 guests.

### Secretary Report:

The previous months minutes were accepted as printed in the "Flypaper."

### Treasurers Report:

The treasurer's report was presented by Leonard Martin, and accepted as read.

### Field Officer Report:

Bill Lewis was absent but Steve made a report on the new Zero Turn Mower that was donated to the club. Steve told us all a little about the history, lineage of the brand and that it was the first company to place a gasoline engine on a mower deck. He also reported that our mower will need some minor repairs and a new battery.

### Safety Report:

Johnnie Russell reported that he has been out of town but has had no reported incidents...

### Events Director:

Bill Rago commented on the "Blustery, but well attended" opening day. He also Thanked Jack Bernard for providing the drinks and noted he will also be handling ALL the duties for our upcoming "Giant Scale Day".

Discussion was had about not having a cook for the June event. And (New Member) Jay Imroth stepped up to the plate and said he would do it... Thanks Jay, way to get your "feet wet"!!!!

### Old Business:

The demonstration at Great Lakes Naval Training base is scheduled for July 3<sup>rd</sup>. But dick mentioned that there has been further communication with the lady in charge and, that she wants to change the date to July 4<sup>th</sup>. After some discussion, it was decided to contact her for more information before making a decision on whether or not the Club will do this event...

Jim Spice reminded the Club about the event at the Lake Villa District Library show on May 5<sup>th</sup>. And, asked how many were planning on attending and bringing aircraft. He also commented that due to

space/safety limitations, this would be a static display only show, with no flying.

Johnny Russell brought up the apparel topic that was presented at the last meeting regarding shirts, jackets, etc. with the Club logo (or any personal items) that can be embroidered on them. Contact John for prices and ordering.

### New Business:

Dick reminded all that this coming weekend May 7<sup>th</sup> would be our first "Official" Funfly of the year. "Giant Scale" is the theme and as mentioned earlier Jack Bernard will be bringing the drinks as well as cooking. Dick also had a list of items for sale by Russ Scott. He is looking to sell a few things to help fund his new Turbine jet project(s)... Contact Russ for details and prices.

There was discussion with the group about having a Swap meet at the field. A motion and second was made for us to do this at the June event. A voice vote passed the resolution. So, if you have anything you would like to sell, bring it to the field on June 10<sup>th</sup>, and maybe you will get lucky?

Remember to put your permit on the frequency board...

Rules state if you are flying, your permit card needs to be on the board!

### Show and Tell:

Mike Stanley and his Dad brought in a "Great Planes" Yak they are building. It is powered by a DLE 55 and looks to be about ready for that maiden flight.

### New Members:

Jay Imroth Joined the club (at this meeting). He is from Kenosha, and flies helicopters.. Welcome... Jay!!

The meeting was closed after a motion, second, and unanimous voice vote @ 8 p.m.
