The 2010 Event Season got off to a great start with the first annual "Season Opener". The Coffee and Doughnuts were a great hit! Weather was great but a bit windy, still flyable, though!

Events Director

The new schedule for 2010 was discussed and the season "Opener" talked about for April 18th.

Old Business

Dick reported on the entrance Gate being difficult to operate. He said he would report it at the annual meeting of the Forest Preserve. Also at this meeting he is going to request that our parking lot be increased in size to accommodate an additional 10 vehicles.

We still need a cook for the Oct. Event. Contact Dick to volunteer.

Be sure to purchase your annual FP flying permit. They ARE checking.

New Business

The "Porta Potty" has been repaired and up righted, and a hand sanitizer added. On a Motion by Russ Scott and second by Bill Rago it was voted by the members to provide \$135 for field stones to be placed in front of the porta-potty and more grass seed for the field.

The Field Extension will start on April 2nd.

A long time member and the 1st President of our club, Stan James, passed away as reported by Al Parshall. He was instrumental in getting funds from Abbott to purchase our Tractor and original mower.

Show and Tell

Chuck Smith brought his "British Air Racer" that he built from plans. A really beautiful airplane!

Meeting Close

On a motion/second and voice vote, the Meeting was closed by Dick at 8:00PM.
